

Playthings®

UPFRONT

Forget about Transformers, this is a real retro property. Poky Little Puppy from Little Golden Book Collection by Yottoy is a plush rendition of the danger-prone curiosity seeker.

The world really doesn't need *another* scriptwriter. Where is the next Sophicles? Entering stage right are Playstages' Minikins marionettes and wardrobe clothes for the Playstages Theater (the enormous theater, of course, is not pictured). Now budding Shakespeares have all the tools at their disposal.

off the shelf

The editors' biased take on toys

These wooden necklaces from Haba are just a sampling of their wonderful designs. Perhaps the future will deliver kits for kids to make their own? (Hint, hint.)
